## “Together We Can Move The World” December’s Show!

We have reached the point of crisis. Our planet is heating up, animal species are going extinct, and there are weapons which threaten to destroy us all. Many voices call for change, yet there are factions that choose to ignore the warnings. We are all human in spite of our differences and we must come together if we are to survive. Artists have traditionally sounded the call for change. We at PACS wish to add our voices to the call. Together we can move the world.

## A group show featuring the Pandora's Arts Collective

"PROGRESS  
is IMPOSSIBLE  
WITHOUT CHANGE,  
& those who cannot  
CHANGE THEIR minds  
CANNOT  
CHANGE Anything."  
- George Bernard Shaw
